Participants experience a sense of accomplishment while engaging with law enforcement and learning about the vital initiatives that contribute to making our community safer. The funds raised from this event go directly towards supporting the Edmonton Police Service in building strong and positive relationships with the public. By sponsoring the EPS Half Marathon, you will be contributing to a meaningful cause that connects the community and police in a shared effort to create a safer and more inclusive society.

On September 19, 2026, we invite runners and walkers of all abilities and fitness levels to join us at the Kinsmen Park for the EPS Half marathon. There is a half marathon as well as 10km and 5km routes to make it inclusive for everyone. Not a runner? You can still come out to enjoy the EPS festival taking place at the park.
